

Different Methods to Pay Loans

When looking for a loan the decision of which financial institution to use is important. If the loan types available and the rates are similar, then you may want to look at how you can make payments. The ease of making payments should be a factor in your decision. At Community First, we have multiple ways to make those payments.

- At the branch with cash, check, or credit card
- Online via credit card or other banking account (ACH)
- Direct payment from your direct deposit payroll
- Automatic funds transfer from your CFFCU savings or checking account
- Over the phone using a credit card
- Use the mobile App or online banking to make manual transfers from your CFFCU savings or checking account
- Online via Kasasa Dashboard for Kasasa Loans with Take-back
